COMPANY ANNOUNCEMENT

Lassing Dibben Consulting Engineers Ltd. Merges with EMS-Tech Inc.

Date: May 1, 2023

EMS-Tech Inc. is pleased to announce that on May 1st, 2023, the talents and capabilities of the Lassing Dibben Consulting Engineers team will be merged with the EMS-Tech team. EMS-Tech has worked closely with Lassing Dibben Consulting Engineers for over fourteen years.

We are enthusiastic about welcoming the additional engineering capabilities and expertise of the former Lassing Dibben employees. They will provide a great addition to our engineering, design, and support services activities. Transitioning to a single location will enhance our capacity and efficiency. The combined resources will better position us to support current and future projects.

EMS-Tech is fully committed to supporting Lassing Dibben clients, respecting all project confidentiality throughout this transition, and will continue to act in their best interests as we work toward solidifying ongoing business relationships. We encourage you to follow us on social media platforms for any exciting developments at EMS-Tech Inc.

Peter Sorensen, President
EMS-Tech Inc.
